

Dr. Kirsche's Trips to India, Costa Rica, and Brazil

Description

During the past years, Dr. Kirshe and his wife Kitty traveled to India, Costa Rica, Dominican Republic, Puerto Rico, Brazil, and other places to preach conferences and to visit Bible Colleges that Antioch Baptist Bible College has helped during the past decade. Kitty was able to accompany him on most of his travels to preach and minister across the world. Here are some of the photos of those adventures.
